

## DomeShells Client Questionnaire for New Projects

PLEASE FAX BACK TO 02 66805511 or Email to info@domeshells.com.au

This questionnaire is intended to provide information required for a domeshells solution proposal, design suggestions and initial estimates.

Please answer only the topics/questions you think are relevant to your project and feel free to add any additional information, site photos, land plans, Google Earth Ref, etc. A design process schedule will accompany our initial design suggestions & estimates.

### Client Information

Client Name:

Client Address:

Phone:  Fax:  Mobile:

Email:  Website:

### Site Information

Site Address:

Council Authority:

Lot No.  DP No.

Area of land:  m2  m2 Slope:  degrees

Geotechnical Report?  N  Y

Contour Survey?  N  Y

Existing Services?  N  Y

Electricity:  N  Y

Water:  N  Y

Phone:  N  Y

### Your Budget Estimate & Timeframe

What is your budget and the time frame for your project? Do you want to build in stages? Do you want to be involved in the building process?
